

SAHABAS KHAN

Khansahabas05@gmail.com | (+91) 7978131528

PROFESSIONAL SUMMARY

- ❖ Associate Software Developer with **two years** of hands-on experience in building scalable and maintainable **Java based** web applications. Skilled in full-stack development using **Java, Spring Boot, React.js, RESTful APIs, and SQL**. Strong understanding of backend architecture, database integration, and front-end collaboration. Committed to writing clean, testable code and delivering on-time solutions.

TECHNICAL SKILLS

- ❖ **Languages:** Java, SQL, HTML/CSS, JavaScript
- ❖ **Frameworks:** Spring Boot, React Js
- ❖ **Databases:** Oracle, MySQL, Mongo DB
- ❖ **Tools & IDEs:** IntelliJ Idea, Eclipse, VS Code, GitHub
- ❖ **Servers:** Apache Tomcat

PROFESSIONAL EXPERIENCE

Associate Software Developer

Smart Edge Software Pvt. Ltd. BBSR

Duration: 2 years (June-2023 to Present)

Projects And Key Responsibilities:

Medical Web Application:

- ❖ Developed and maintained a **Medical web application** using **Spring Boot**, enabling seamless management of patient records, appointments, and billing.
- ❖ Optimized complex SQL queries and database structures in MySQL, improving data retrieval speed by 30%, ensuring efficient handling of large-scale medical data.
- ❖ Implemented role-based access control (RBAC) for doctors, staff, and patients, enhancing data security and compliance with HIPAA guidelines.
- ❖ Integrated real-time data visualization and reporting using Ext JS, allowing healthcare professionals to track patient progress and analyze trends effectively.

Event management System:

- ❖ Developed a dynamic **event management platform** using **Spring Boot** and **React Js**, enabling users to create, manage, and track events seamlessly.
- ❖ Architected PostgreSQL database schemas, decreasing event data retrieval latency by 60% and enhancing storage efficiency by 40% through effective data partitioning, improving user experience.
- ❖ Implemented real-time notifications and live updates using WebSockets, enhancing user engagement and event participation.

EDUCATION:

- ❖ Bachelor's in Computer Science & Engineering from
Gandhi Institute for Technology (GIFT), Bhubaneswar, Odisha.

CGPA: 8.17

CERTIFICATIONS:

- ❖ Completion of 3 months **training** on core Java from Lakshya Institute of technology.
- ❖ Completion of **Full Stack Java Course** from Naresh IT Hyderabad.

AVAILABILITY: Immediate
